

# DuraLabel<sup>®</sup> Carbon Dioxide Safety Labels & Signs

NFPA 12 standards\* require facilities that use a "carbon dioxide total flooding extinguishing system" to post the following labels in the locations identified below for each label.

## ⚠ WARNING

When alarm operates,  
**VACATE  
IMMEDIATELY.**

Carbon dioxide gas  
can cause injury or  
death.

In every protected space

## ⚠ WARNING

When alarm operates,  
**DO NOT ENTER  
until ventilated.**

Carbon dioxide gas  
can cause injury or  
death.

At every entrance to protected space

## ⚠ WARNING

When alarm operates  
or wintergreen  
scent is detected,  
**DO NOT ENTER  
until ventilated.**

Carbon dioxide gas can  
cause injury or death.

At every entrance to protected space for systems  
provided with a wintergreen odorizer

## ⚠ WARNING

When alarm operates,  
**VACATE IMMEDIATELY.**

Carbon dioxide gas  
discharge into nearby  
space can collect here.

Carbon dioxide gas can  
cause injury or death.

In every nearby space where carbon dioxide  
could accumulate to hazardous levels

## ⚠ WARNING

**Ventilate area  
before entering.**

A high carbon dioxide gas  
concentration can occur  
in this area.

Carbon dioxide gas can  
cause injury or death.

Outside each entrance to carbon dioxide storage rooms

## ⚠ WARNING

**Clear area of personnel  
before actuation.**

Actuation of this device  
causes carbon dioxide to  
discharge.

Carbon dioxide gas can  
cause injury or death.

At each manual actuation station

## Supplies

DuraLabel "Warning" Health and Safety Die-Cut Labels and Two-Color Striped Vinyl are ideal for printing carbon dioxide hazard warnings. They are designed to ANSI/OSHA standards and provide long-term application in even the toughest workplaces. Labels are resistant to water, most chemicals and UV light and come backed by a strong adhesive to maintain years of performance.

DuraLabel "Warning" Health and Safety Labels come in multiple sizes, including the standard 4" x 6" as well as large format 6.8" x 10.5" and 8.8" x 12.8" labels. These extra large labels provide enhanced visibility to grab attention and increase hazard comprehension.

Two-Color Striped Vinyl Tape

Die-Cut Labels

## Label & Sign Printers

### DuraLabel 2000

- Print head designed to eliminate overheating
- Lightweight & ergonomic design for transportation & storage
- Print up to 120 min. or over 100' of labels on one charge

### DuraLabel PRO 300

- Over 40 types of supply
- Readable, long-lasting labels
- Quick & easy supply loading & changing
- Versatile - ability to print everything from cable markers to safety signs

### DuraLabel 7000

- Print super-sized Arc Flash, RTK, HazMat & Drum labels
- Printer designed to open wide for simple supply loading & changing
- All-inclusive labeling software included for easy sign & label creation

### DuraLabel 9000

- Safety signs will be visible from a distance
- Print warehouse signs, wayfinding, OSHA-compliant signs & more
- Intuitive menu system to print specific applications
